ATTENTION PATIENTS

There will be a $50.00 cancellation/no show fee assessed for all Aesthetic Services.

In an effort to better serve our patient load, any appointment canceled or rescheduled after 2PM on the day before your appointment will incur a fee. Monday appointments need to be canceled or rescheduled by 2PM on Friday. This will allow enough time for the appointment to be arranged for another patient. Fee will be collected prior to services rendered at the next appointment.

We do understand that situations arise that are beyond our control. Please notify our staff in case of a missed appointment due to an emergency and a case by case consideration will be made to waive fees as a ONE-TIME courtesy.

All laser purchases are final. There can be no transfer of services or refunds for unused portions.

Your understanding is greatly appreciated.
